Condizioni generali di vendita

Le presenti condizioni generali disciplinano tutti gli attuali e futuri contratti fra le parti, salvo eventuali deroghe concordate per iscritto. Eventuali condizioni generali del compratore non troveranno applicazione nei rapporti futuri tra le parti se non espressamente accettate per iscritto dalla Mario Bongio srl.

1. Formazione del contratto

L'invio da parte del compratore di un ordine al venditore comporta l'applicazione al contratto di vendita delle presenti condizioni generali. Il venditore si riserva il diritto di accettare o rifiutare l'ordine ricevuto. Le offerte fatte da agenti, rappresentanti ed ausiliari del commercio del venditore non sono per lui impegnative fino a quando non siano confermate dal venditore stesso.

2. Prezzi

I prezzi indicati nel listino sono indicati in euro e ad essi deve essere applicata l' i.v.a. secondo l'aliquota in vigore al momento della fatturazione. Il venditore si riserva di modificare i prezzi, o variare il listino prezzi senza alcun preavviso.

3. Resa della merce

Salvo patto contrario, la fornitura dei prodotti si intende Franco Fabbrica del venditore: trasporto ed assicurazione sono pertanto a carico del compratore e ciò anche quando sia convenuto che la spedizione o parte di essa venga curata dal venditore, nel qual caso quest'ultimo agirà come mandatario del compratore, essendo inteso che il trasporto verrà effettuato a rischio del compratore.

I rischi relativi alla fornitura passano al compratore al momento in cui i prodotti lasciano lo stabilimento del venditore.

4. Termini di consegna

I termini di consegna indicati sulle conferme d'ordine non sono tassativi e, in nessun caso, possono giustificare ritardi nei pagamenti o dare luogo a risarcimento di danni.

E' esclusa qualsiasi responsabilità del venditore per danni derivanti da anticipata, ritardata o mancata consegna, totale o parziale.

Il compratore è sempre tenuto a prendere in consegna i prodotti, anche in caso di consegne parziali e quando i prodotti vengano consegnati prima o successivamente alla data di consegna stabilita. Il termine di consegna verrà prorogato di un periodo pari a quello della durata dell'impedimento al verificarsi di cause di forza maggiore. In nessun caso, a causa del verificarsi di tali circostanze, il compratore potrà esigere compensi o indennizzi di qualsiasi natura.

5. Garanzia

Il venditore garantisce la conformità dei prodotti forniti; con il termine di conformità dei prodotti si intende che essi corrispondono per qualità, quantità e tipo a quanto stabilito nel contratto e che sono esenti da vizi che potrebbero renderli non idonei all'uso cui sono destinati. La garanzia per vizi è limitata ai soli difetti dei prodotti conseguenti a difetti di progettazione, di materiale o di costruzione riconducibili al venditore, e non si applica nel caso in cui il compratore non abbia effettuato una corretta conservazione dei prodotti e li abbia modificati senza il consenso del venditore. Il venditore non risponde dei difetti di conformità dei prodotti dovuti all'usura normale di quelle parti che, per loro natura sono soggette a usura rapida e continua. Per ogni altra precisazione si rimanda al libretto di garanzia presente nei nostri articoli.

6. Reclami

Il compratore è tenuto a verificare la conformità dei prodotti e l'assenza di vizi. I reclami relativi a non conformità dei prodotti forniti dovranno essere effettuati,a pena di decadenza, entro e non oltre otto giorni dal ricevimento della merce a destino. I vizi, difetti o non conformità occulte devono essere denunciati immediatamente alla loro scoperta e comunque, a pena di decadenza, entro e non oltre i tre mesi dalla data di consegna. Tutti i reclami devono essere effettuati mediante lettera raccomandata indirizzata al venditore e devono indicare dettagliatamente i vizi e le non conformità contestate. In caso di reclamo effettuato nei termini e nei modi sopra indicati la merce dovrà' essere tenuta integralmente a disposizione della venditrice per i controlli che la stessa riterra' opportuni.

7. Rimedi

In caso di prodotti non conformi, e dopo aver ricevuto un rapporto dettagliato dal compratore, il venditore potrà, a sua insindacabile scelta:

a) fornire gratuitamente Franco Fabbrica al compratore prodotti dello stesso genere e quantità di quelli risultanti difettosi o non conformi a quanto pattuito, dopo averne ottenuto la resa per la verifica. L'eventuale sostituzione effettuata prontamente dal venditore non può essere ritenuta un implicito riconoscimento dei vizi contestati. Qualora il venditore, in sede di verifica, non riconosca viziati i prodotti, provvederà alla fatturazione di quelli inviati in sostituzione; oppure
b) emettere una nota di accredito a favore del compratore per un importo corrispondente al valore dei prodotti difettosi.

In entrambi i casi il venditore ha diritto alla restituzione dei prodotti difettosi, che diventano di sua proprietà.

8. Limitazione di responsabilità del venditore

Salvo dolo o colpa grave del venditore l'eventuale risarcimento di qualsiasi danno al compratore non potrà comunque superare il prezzo di fattura dei prodotti contestati.

9. Resi

I resi di merce da parte dei committenti dovranno sempre comunque essere autorizzati per iscritto dalla nostra sede. I resi preventivamente autorizzati devono giungere alla fornitrice franco magazzino di San Maurizio d'Opaglio in buon ordine e negli imballaggi originali. L'accredito per le merci rese sarà stilato ad avvenuta presa in carico del nostro magazzino e controllo. Danni ai prodotti ed agli imballaggi saranno defalcati dall'accredito.

10. Pagamento

I pagamenti ed ogni altra somma dovuta a qualsiasi titolo al venditore si intendono netti al suo domicilio. I pagamenti dovranno essere effettuati nei termini stabiliti anche in caso di ritardo nella consegna oppure di perdita totale / parziale della merce non imputabile al venditore. Qualsiasi ritardo o irregolarità nel pagamento da al venditore il diritto di sospendere le forniture o di risolvere contratti in corso, anche non relativi ai pagamenti in questione, nonché il diritto al risarcimento degli eventuali danni. Il venditore ha altresì il diritto a decorrere dalla scadenza del pagamento, agli interessi moratori nella misura stabilita in Italia dall'art. 5 del Decreto Legislativo 9 ottobre 2002 n. 231. Il ritardo nei pagamenti dà altresì al venditore il diritto di escludere la garanzia per tutto il periodo durante il quale il ritardo perdura. Il cliente non ha diritto di effettuare trattenute a compensazione sui pagamenti anche in caso siano in essere contestazioni.

11. Riserva di proprietà

I prodotti consegnati restano di proprietà del venditore sino al momento del completo pagamento del prezzo.

12. Legge applicabile e foro competente

Tutti i contratti disciplinati dalle presenti condizioni generali sono regolati dalla legge italiana.

Per ogni controversia relativa o comunque collegata a contratti cui si applicano le presenti condizioni generali e' escusivamente competente il foro del tribunale di Novara.

13. Importo minimo ordini

Per ordini inferiori ad € 250,00 viene richiesto un contributo spese amministrative di € 20,00 ed un contributo spese di trasporto di € 20,00. Il minimo valore d'ordine per porto franco è pari ad € 600,00.

14. Cataloghi cartacei e digitali

Le illustrazioni del catalogo sono una rappresentazione di ogni articolo ma non costituiscono impegno di fedele esecuzione. In particolare, l'indicazione delle tonalita' di colore relative alla campionatura fatta visionare su cataloghi cartacei e/o elettronici deve considerarsi puramente indicativa e, quindi, eventuali differenze cromatiche non possono essere denunciate come vizio in quanto non modificative delle qualita' essenziali del prodotto. L'azienda si riserva il diritto di effettuare modifiche sia tecniche che estetiche senza preavviso, come pure procedere alla eliminazione di singoli articoli o di serie complete.

15.Accettazione Condizioni

L'avvenuta esecuzione del contratto con il ritiro della merce da parte del cliente verra' considerata quale tacita accettazione delle presenti condizioni.

Il presente catalogo annulla e sostituisce i precedenti. Le informazioni in esso contenute possono subire variazioni senza alcun preavviso.
